**Reflection:** Jesus said to his apostles: "Whoever loves father or mother more than me is not worthy of me, and whoever loves son or daughter more than me is not worthy of me; and whoever does not take up his cross and follow after me is not worthy of me."

Jesus explains an interesting consequence of choosing to love family members more than God. The result of loving a family member more than God is that one is not worthy of God. This is a strong statement meant to evoke serious self-reflection.

First, we should realize that the only way to authentically love one's mother or father, son or daughter, is to first love God with your whole heart, mind, soul and strength. Love of one's family and others must flow from this pure and total love of God.

For that reason, we should see Jesus' warning as a call to make sure we are not only loving Him fully, but also a call to make sure we fully love our family by allowing our love of God to become the source of our love of others.

Reflect, today, upon how you can truly love those in your family by turning your heart and soul first toward the love of God. Allow this complete embrace of the love of God to become the basis of love in every relationship. Only then will good fruit come forth from the love of others.

*Lord of perfect love, help me to love You above all things and in all things and, from that love, help me to love those whom You have put in my life. Through Christ our Lord, Amen.*
