Trócaire and the Crisis in Ukraine

The most effective way to provide support for the people of Ukraine is to donate money. Trócaire is working with Caritas Ukraine and Caritas Poland, who are supporting people both within Ukraine and people who have managed to cross the border, providing shelter and essential supplies.

However, Trócaire asks us to remember the many millions of people who are already facing similar crises around the globe and who risk being forgotten as the world focuses on Ukraine. Millions of people throughout the world are displaced by conflict and some are facing famine. Trócaire's Lenten campaign supports people living through these forgotten crises.

Trócaire has a separate and specific appeal for Ukraine and highly recommend that people express their kindness and compassion to those fleeing conflict by making donations to the Ukraine Appeal, in addition to their donations to the usual Lenten Appeal.

Every cent and euro donated to Trócaire will be used to support people who are facing serious crises, and to ensure no-one is forgotten.
