Day for Life - 14th June 2025

Pope Leo prays that, "Through your common witness to the God-given dignity of every person, without exception, and to the tender Christ-like accompaniment of the seriously ill, all in society will be encouraged to defend rather than undermine a civilisation founded on authentic love and genuine compassion."

In this Jubilee Year focussed on the theological virtue of hope, it is fitting that Pope Francis' theme, 'Hope does not disappoint – finding meaning in suffering', seeks to draw people's attention to how the mystery of suffering, so prevalent in the human condition, can be transformed by grace into an experience of the Lord's presence, for God is always close to those who are suffering and guides us to appreciate the deeper meaning of life, in love and closeness.
