Clones Parish Envelopes - New Year starts 01/03/2026

Thanks to all who are currently helping to distribute parish envelopes for the year ahead. We have included information on paying by Standing Order for those who might like to pay monthly through their bank.

If there are mistakes, please contact the Parish Office, so they can be rectified. Sincere thanks to all who contributed during the past year. This is the only form of income the parish gets and is used to keep our three churches maintained and heated as well as having priests for Masses and all the Sacraments families need during any given year.

As we approach year end there is still time to 'make up' for missed contributions, by writing a cheque or making a single donation.

For those who do not have an envelope and are in a position to support their parish financially, please contact the office on 047 51048.
