Pope John Paul II Awards 2025/2026

The Pope John Paul II Award is a faith achievement award for young people between the ages of 16 and 18. It is non-competitive, inclusive, flexible and voluntary. The Award enables participants to take an active part in the life of their Church, in the life of their community and society. The award is looked on very favourably by colleges and universities. Last year we had 9 young people who took part and, on Friday 14th of November, they will receive their Gold Awards and Papal Crosses at a ceremony in St Michael's Church, Enniskillen. This group of teenagers participated in various ways in Parish and Community life. They enhanced our liturgies as well as helping out in the community at various events.

We are now inviting young people to come forward and be part of the new group for 2025/26. An information meeting will take place, the date for this will be in next week's bulletin. If you are aged between 16 and 18, please consider taking up this invitation.
