Parish Envelopes 2025

Parish Envelopes are currently being prepared for distribution. Most of us need our priests and churches at some point in our lives - Baptisms, Weddings, Funerals, First Communions, Confirmations, but do we really consider how these are kept available to all who need them. More importantly do we ever think where the money comes from to finance all that takes place week in and week out in our Parish? Who takes care of the cost of heat, light, insurance, maintenance as well as priests and an office to carry out all the pastoral and admin work?

If you receive a box of envelopes, please use them. If you do not have envelopes, perhaps you would consider asking for a box or even setting up a payment through your bank. Support your parish, as it supports you!
